Dear Mr. Winogron and Mr. Bouchard,

As the Chief of Neqotkuk First Nation in New Brunswick, I am writing a letter to support the Indian Day School Class Action, MacLean v Canada. I believe this Class Action settlement will assist Survivors in moving forward in their healing of the traumatic experiences at the St. Ann's Day School and Mah-sos School.

The settlement will recognize the harms suffered by the Wolastoqewiyik people in my community from the period of 1920 to 1984. The intergenerational impacts have been tremendous and it will take decades for healing and reconciliation.

The Legacy fund will also serve as a way to commemorate all Indian Day School Survivors as well as support various wellness projects and language/culture initiatives.

Thank you for your work on this Class Action, I appreciate and acknowledge your efforts and continued work.

Sincerely,

Chief Ross Perley
