Indian Day School Class Action – Statement of Support

Gowling WLG (Canada) LLP
160 Elgin Street
Suite 2600
Ottawa Ontario K1P 1C3

To Whom It May Concern:

The Nisga'a Village of Gitwinksihlkw is in full support of the Indian Day School Class Action.

The survivors of the federally funded Canyon City Indian Day School and other Indian Day Schools that our Gitwinksihlkw Community members attended are entitled to compensation for the harms they suffered while attending those schools.

We have encouraged all former Indian Day School students to register for the Indian Day School Class Action before the deadline. If there are late applications, we will let you know. Thank you.

Very respectfully,

A handwritten signature in black ink, appearing to read "Charles Morven".
